balloons

We are excited to present our 2025 catalog, filled with vibrant updates and innovative new products that will take your balloon creations to new heights. At Betalllic, we are committed to bringing you the best in latex balloons, with over 80 color options now available, offering an incredible variety for every event.

For over 25 years, Betalllic has proudly distributed Sempertex balloons, maintaining our commitment to delivering the highest-quality latex balloons. Our products are crafted from 100% pure, natural latex, free from fillers, extenders, and plasticizers, ensuring a superior, eco-friendly balloon experience.

This past year, Sempertex introduced **Silk** — a groundbreaking new texture in the balloon industry. The **Silk** texture combines the softness of our Reflex balloons with the pearlescence of our Pearl balloons, creating a luxurious, refined finish that adds elegance to any celebration.

We are excited to unveil four **NEW colors** for 2025: Silk Oyster White, Silk Gold Dust, Pastel Dusk Green Tea, and Reflex Aurora Green. Available in popular sizes such as 5", 11", 18", 24", and 260S, these stunning shades are sure to add a unique touch to your celebrations.

In addition, we are proud to introduce **DUR**, a revolutionary new product line made from recycled Sempertex balloons. This initiative exemplifies our dedication to reducing waste and our ongoing efforts to minimize our environmental impact by using balloons that did not meet quality standards, giving them a second life.

We are also working diligently to reduce our carbon footprint, and as part of these efforts, we've made our packaging slightly smaller. These changes help us conserve resources and reduce waste, ensuring that our products contribute to a cleaner, greener planet.

Our latex balloons continue to perfectly complement our foil balloons, ensuring the perfect pairing for your creations. Be sure to explore our **Everyday Catalog** at [Betallic.com](https://www.betallic.com), where you can find the latest trends in foil balloons.

**Let's make 2025 a year filled
with boundless creativity, and
unforgettable moments!**

Connecting Balloon Artists Through Creativity and Innovation

In 2024 Betallic hosted its first-ever Balloonathon across three locations in the U.S.:

- Los Angeles, CA
- Dallas, TX
- East Rutherford, NJ

Over the course of these incredible events, 10 world-class instructors shared their expertise, teaching innovative techniques and inspiring attendees to elevate their craft. Balloon artists from all over the country came together to learn, connect, and create in a dynamic environment filled with creativity and collaboration.

Not only did participants gain invaluable skills, but they also discovered more about Betallic—our brand, our mission, and our commitment to empowering the balloon community. This year was just the beginning, and we're thrilled to have had such a fantastic time bringing Balloonathon to life.

Continued Education Where will we see you next?

In 2024, Betallic proudly supported balloon artists across the nation by sponsoring 7 industry conventions and hosting hands-on classes at our full-line distributors.

From inspiring convention workshops to intimate in-person distributor classes, we shared innovative techniques, showcased our products, and strengthened connections within the balloon community.

This year, we reached hundreds of artists, empowering them to elevate their craft and grow their business. The creativity and collaboration we experienced have us more excited than ever for what's ahead.
